🧩 SOFT SKILLS

Communication

Creative thinking

Teamwork

Problem solving

Time management

🎓 EDUCATION

Bsc Chemistry, Lagos State University

2017 – 2022 | Lagos, Nigeria

💼 WORK EXPERIENCE

Nupat Technologies, Front-end Developer Intern

2022 | lagos, Nigeria

- Completed a 5-month program in frontend development, where I gained experience in HTML/CSS, JavaScript, and React.
- Earned a certification in web accessibility, demonstrating my commitment to creating inclusive and accessible websites.

SwiftVia, Front-end Developer

June 2023 | lagos, Nigeria

- Worked on creating and maintaining the user interface of the logistics startup frontend website design using React, and other frameworks ensuring an exceptional user experience for our customers and partners.
- Collaborated closely with cross-functional teams, including designers, backend developers, and product managers, to translate wireframes and UI mockups into highly interactive and visually appealing web interfaces.

📁 PERSONAL PROJECTS

Wallet Bank 🔗

Wallet Bank is a powerful React-based banking application that leverages APIs and backend integration to provide users with a secure and seamless banking experience.
